

2024 Rising 7th & 8th Grade Boys' Basketball Summer Plans

Our summer practices are for **those on last year's team AND for newcomers to the school**. There will be a tryout for everyone in the fall.

We have 4-6 skill development sessions over the summer. In addition to skill development, we will install our main offenses and defenses for the upcoming season. These are important practices. If you are in town and planning on trying out in the fall, then you are expected to be at our summer practices.
