

# Dining at Brentwood Academy

2024-2025

## Daily Meal Plan

**The Daily Meal Plan offers a full meat-and-three plus drink for under \$8.75!**

Brentwood Academy's Daily Meal Plan offers appetizing and nutritious lunches. Menu items include the following:

- gourmet soups
- salad selections
- delicious entrées
- pizza and pastas
- vegetarian items
- deli selections
- fruit
- chips
- desserts

Purchasing the Daily Meal Plan for lunch will include the student's choice of one entrée, three side items, and a drink (a combo deal all purchased on their first pass through the line) at a cost of either

**\$1,398**

Full Year  
Commitment

\$8.74 a day

**\$763**

Per Semester  
Commitment

\$9.54 a day

**If the same one entrée, three side items, and a drink are purchased via the Declining Balance Program because your student is not on the daily meal plan, it would cost \$9.98 a day.**

**You will have the option to sign up and pay for the Daily Meal Plan at registration. The Daily Meal Plan is NOT funded through the Declining Balance Program.**

### What are my Daily Meal Plan payment options?

- Payment in full at Registration.
- Payment for half of full year cost at Registration with balance billed via your FACTS account and due by Dec. 31, 2024.
- Monthly payments via FACTS: the first payment will be made at Registration with eight additional installments billed via your FACTS account (September 2024 through April 2025).

### What is an entrée?

A healthy portion of one hot entrée, a large salad, a deli sandwich, two slices of pizza, or an entrée serving of pasta.

### What is a side item?

A starch, vegetable, soup, side salad, fruit, chips, or dessert.

### What drinks are included in the Daily Meal Plan?

An assortment of 16 oz. bottled water, milk, and other beverages.

### What is NOT included in the Daily Meal Plan?

Breakfast items, premium drinks, ice creams (please refer to the "Premium Items" document), more than three side items, and drink refills.

### Does the Daily Meal Plan include seconds?

Seconds are NOT included. Students can buy additional items or seconds through their Declining Balance Account.

### How does checkout work?

Each student will give the cashier their student ID number at checkout. The student's photo will appear on the cashier's screen for visual verification, the account will be checked for enrollment in the Daily Meal Plan and keyed accordingly.

### What if my child has food allergies?

Let us know and we will do our best to accommodate your student's needs. Our chefs are certified as Food Safety Production Managers and trained to create a safe dining environment for your student.

### Where can I find lunch menus?

Visit [BAeagles.com](http://BAeagles.com).

## Declining Balance Program

ALL students have a Declining Balance Account. Parents may either fund the account or ensure the student understands not to purchase items outside or above the Daily Meal Plan offerings (if applicable). A student's available balance decreases as purchases are made, much like a debit card.

The Declining Balance Program is ideal for students not participating in the Daily Meal Plan who purchase individually priced a la carte items. This program is also used for breakfast items, snacks, premium items, and second servings at lunch for those on the Daily Meal Plan. This account will also be charged if a student forgets an item covered by their Daily Meal Plan and returns for a second trip to purchase it.

## Funding Your Account

### How do I fund my Declining Balance Account?

Log into your account at [www.MySchoolBucks.com](http://www.MySchoolBucks.com). First-time users must set up an account using your student's Veracross student ID number. The MySchoolBucks website will walk you through the setup process.

### How much should I put in the account?

We suggest a \$50 minimum starting balance. You can fund the account with a debit card, VISA, MasterCard, or e-check. Your MySchoolBucks account will allow you to:

- Monitor student purchases,
- Receive low balance email reminders (recommended),
- Set up auto-payment for your account (recommended),
- Make split payments for multiple students.

**Students can create a negative balance on their Declining Balance Account if they make a purchase with no money on their account. Setting up auto pay on your student's account is the most effective way to avoid going into the negative unexpectedly. Negative balances not paid in a timely manner will be transferred to the student's FACTS account.**

**Please set senior students auto payments to end on May 31.**

### Should every student have a funded Declining Balance account in addition to the Daily Meal Plan?

While not required, it is highly recommended.

### How can I see what my student is buying?

Log on to your student's account at [MySchoolBucks.com](http://MySchoolBucks.com).

### Is the online account information secure?

Yes. MySchoolBucks is PCI and VeriSign certified.
