2023-2024 UPPER SCHOOL COURSE RECOMMENDATION + REQUEST FORM

Student Name
Grade 8

- Refer to the **2023-2024 Upper School Curriculum Matrix** for graduation requirements and course offerings.
- Be sure that you are requesting <u>SIX</u> courses, <u>FOUR</u> of which in core academic areas (English, Mathematics, Science, Social Science, World Language). Study Hall is your 7th "course."
- **RECOMMENDATIONS VS. REQUESTS**:
  - Recommendations are recommendations; they are not mandates.
  - If you are interested in pursuing/requesting a course <u>different from what was recommended</u>: ① communicate with your <u>current</u> teacher of that subject; ② consult with your advisor; and, ③ **make this distinction clear** in the **Course REQUESTS** column.
- **Questions/Next Steps?** Discuss with your parents/guardians! Consult with resources – teachers, advisor, Mrs. Beckley (Upper School Registrar) and/or Mr. Davis (Academic Dean)!
